

Easton Community Center

2018 Summer Camps

The camps at the ECC are state licensed and are the highest in quality. Our staff has over 30 years of experience in the field. All staff are screened and trained so we may provide you with counselors that are highly motivated and professional. Although safety and fun are our main focus, we also present the children with educational events that deal with science, computers, physical education, creative arts, and much more! The camps are open to all of Fairfield County. You do **not** have to be an Easton resident to attend.

Please note our camp and facility is a nut free environment. Please do not send any food that can possibly contain peanuts and or traces of nuts of any kind. Please help us in an effort to keep all the kids that attend our camp safe.

The Wanderers

Boys and Girls (ages 4-6.5)

The summer Wanderers Camp runs for ten weeks and is designed to provide a summer full of fun activities for young campers who were in Pre K, Kindergarten and First Grade during the 2017-18 school year.

Please pack a nut free snack - Lunch is provided to all campers.

The full day program runs from 9AM until 4PM. Please note that we do not advise Wanderers age campers to participate in the late pick up option as such a long day is difficult for this age group.

The ECC does not use any CIT's (counselors in training). Each staff member is specially selected for their skills and attributes with the younger age group. Under the guidance and supervision of our experienced staff, Wanderers campers will enjoy a wide variety of activities. These include:

- Movement Skills - Developing and improving hand-eye coordination and movement coordination that will enhance dexterity and balance.
- Mini Sports - Scaled down versions of a variety of popular sports with adapted equipment. Each sport is taught within an adventure type environment.
- Story Time - Our counselors will read from traditional favorites to modern children's literature.
- Arts & Crafts - A wide spectrum of art and craft activities that will introduce campers to a variety of art forms and an opportunity to explore their own unique imagination.
- Singing and Music - A combination of popular songs plus some special camp tunes and the opportunity to make music of their own.

Special Days & Events - There will also be a number of special events that take place throughout the summer, such as hat days, color days and carnivals.

All of these activities are carried out in a positive environment that makes the Wanderers Camp a great choice in the development of a youngster.
